

Platter 5 Stern Weine 2010

Noch nie gab es eine so hohe Anzahl an 5 Stern Weinen wie dieses Jahr beim Platters Wine Guide 2010. Aus über 6000 Weinen wurden zwar lediglich 41 Weine mit 5 Sternen ausgezeichnet. Vor ein paar Jahren waren es „nur“ 15 Weine, welchen diese Ehre zu Teil wurde. Ein klares Indiz, dass in Südafrika die Qualität auf dem Top-Niveau wehement am steigen ist.

Echoing the stellar 2009 grape harvest, 'Platter's South African Wine Guide', the country's leading wine annual, has produced its own bumper crop in the form of a record 41 five-star wines. This follows a blind tasting by the assembled *Platter's* tasting team of potential five-star wines for the 2010 edition, nominated by individual members during their sampling of South Africa's wines over the past two months.
